

1. Anti-Aging Treatment

This treatment is designed to target fine lines, wrinkles, and other signs of aging. Using advanced techniques and powerful skincare products, this treatment helps to stimulate collagen production, improve skin elasticity, and reduce the appearance of fine lines. This treatment includes the application of specialized serums and masks that are packed with concentrated ingredients. These ingredients deeply penetrate and rejuvenate the skin and restore it to a healthier, more radiant appearance.

\$120 – 60Min

2. Whitening Treatment

This treatment uses a special brightening ampoule to improve skin health and enhance your skin tone, leaving your skin looking brighter and more radiant.

\$120 – 60Min

3. Acne Treatment

This treatment targets and clears acne and deeply cleanses pores. It also prevents future outbreaks of acne. It exfoliates to clean the skin, leaving it soft and helping to brighten your complexion for a clearer and more even skin tone.

\$120 – 50Min

4. Relaxing Facial Treatment

This treatment uses advanced lymph drainage massage techniques for relaxation. It also cleans and tones the skin by using multiple products and devices which leave the skin refreshed and moisturized.

(Moisturizing neck therapy is also included)

\$140 – 60min

5. Gentlemen facial treatment

A specialized facial for men, focusing on cleansing, exfoliation and extraction for healthy and rejuvenated skin. It also includes a facial and neck massage for relaxation.

\$120 - 60min

6. HydroDiamond and Oxygen Infusion Treatment

This treatment involves deep exfoliation with a hydrodiamond, and extraction using hydradermabrasion. It also includes an oxygen infusion with a concentrated ampoule which deeply penetrates and rejuvenates the skin to restore it to a healthier and more radiant appearance.

(Moisturizing neck therapy is also included)

\$180 – 75min

7. No Needle MesoTherapy Facial

This treatment is non- invasive and uses Electroporation, or Needle-Free Skin Hydration, which is an advanced treatment that uses gentle pulses of electrical current. It opens the pores for milliseconds to allow serums to penetrate into the deeper dermal layers of the skin. This technology is perfect for skin hydrating treatments. It enhances skin texture, reduces fine lines, and boosts collagen with concentrated ampoule application. This treatment deeply rejuvenates and revitalizes your skin to be smoother, firmer, and more radiant.

(Moisturizing neck therapy is also included)

\$195 – 75min

8. Customized Facial Treatment

This treatment includes deep cleansing, HydraDiamond exfoliation, and Hydradermabrasion with extraction. This treatment also includes the application of specialized serums and masks that are packed with concentrated ingredients. It is a customized facial treatment for your unique skin type. It includes special add-ons for your personal skin condition.

\$160 and up

9. Signature Contouring Lifting Treatment

This treatment uses advanced lymph drainage massage techniques to firm and lift the skin using traditional lifting techniques with Gua-sha. It also uses a concentrated ampoule application that tightens the skin for a more defined and sculpted look.

(Moisturizing neck therapy is also included)

\$160 – 75Min

10. Classic Lifting Treatment

This treatment uses advanced lymph drainage massage techniques to firm and lift the skin. It also uses advanced products to bring balance to your face, helping to enhance your features and create a naturally sculpted, refined look.

(Moisturizing neck therapy is also included)

\$150 - 75min

11. Verstand HD full Facial Treatment

This treatment is our most comprehensive facial service involving

- Exfoliation with HydraDiamond
- Extraction with Hydradermabrasion.
- Extended manual massage
- Oxygen Infusion with concentrated ampoule for deeply penetrations to the skin.
- Eye & Lips skin rejuvenating therapy
